

# EBKT — Covid-19 sanitary restrictions

Dear EBKT airport visitor,

Please find in this document all the sanitary restrictions which are in place at Kortrijk airport for your wellbeing as well as the wellbeing of our airport staff.

These restrictions are clearly depicted in the airport building and on the airport premises.

## General sanitary restrictions in place:

Respect social distancing of at least 1,5m

Facemasks are highly recommended on the airport premises,  
they are mandatory inside the airport facilities

## Procedures in place in the airport building:

Entrance/exit are separated, facemasks are mandatory

Registration booth in the intra-Schengen entrance is disinfected regularly by airport staff

Avoid touching common surfaces, use elbow to open doors

The –C– room remains closed at this time, in accordance with the BCAA regulations, pilots shall perform all necessary pre-flight planning at home before flying

## As from 01AUG20, new E-Passenger Locator Form for all passengers travelling by air:

If you plan to travel to Belgium or return to Belgium after a stay abroad, you are required to:

- Read the latest travel advice, information regarding the Covid-19 health guidelines is available on [www.info-coronavirus.be](http://www.info-coronavirus.be)
- Fill in a **mandatory** E-Passenger Locator Form in the 48 hours before your arrival in Belgium, the form can be found via:  
<https://travel.info-coronavirus.be/public-health-passenger-locator-form>

Please carefully prepare your flight as infrastructure has changed significantly at EBKT following the completion of the infrastructure works.

Please go through the AIP and check Notam's for latest information!

We thank you for your kind cooperation and for carefully respecting these rules.

Have a great flight, and stay safe,  
Operations department
